

CI 257 N Swanton

First name: Nathan

Last name: Swanton

Q1:

Develop a new framework that's up to date with the current times.

Q2:

To inform people on the content of a product without taking away their choice.

Q3:

Yes. There are many ways to access content nowadays and all should be taken into consideration.

Q4:

Yes

Q5:

Yes

Q6:

No

Q7:

Yes

Q8:

Yes

Q9:

No

Q10:

No

Q11:

Comparison to other media classifications

Q12:

Q13:

Educate the parents on how to monitor their child's internet and computer usage

Q14:

Heavier fines for retailers that sell to minors.

Q15:

If it has a rating, show it.

Q16:

Communication

Q17:

Yes

Q18:

Refused classification video games.

Q19:

no

Q20:

No. Having MA15+ as the max rating for video games is absurd. There needs to be an R18+ rating to let the ADULTS choose the games that they want.

Q21:

There is a massive need for an R18+ rating for video games. Restricting ADULTS from content because its not suitable for children is absurd.

Q22:

Greater comparisons need to be made across different types of media. The current rating schemes allows certain things for one form of media, but doesn't allow the same content in another media format.

Q23:

Yes

Q24:

none.

Q25:

No.

Q26:

Yes. What makes each state different? nothing. Why should i be allowed access to one thing on this side of the border but not on the other side.

Q27:

One with consistency across the board.

Q28:

Yes

Q29:

Removal of people in charge with religious or political agendas
