

CI 74 D Hart

Australian Law Reform Commission

Dear Sirs,

Here are my comments. I am Daniel Hart. [redacted]

Q2. *Primary objectives of a national classification scheme.*

To stop material that violates standards or does harm
To protect children

Q7 *Should artwork be classified?*

Offensive,(particularly sexual) depictions of children should be Refused Classification.

Q8 *Should music or other sound recordings be classified?*

Lyrics demeaning women as sexual objects should be restricted.

Q21. *Do categories need changing or increasing?*

X18+ category for films should be abolished
No R 18+ should be introduced for computer games.

Q24. *What content should be prohibited online?*

For the general user, RC, X18+ or R18+ should be prohibited.
With strict opt-in access, R 18+ should be allowed.

Yours faithfully

Daniel Hart
