Q12:

Q13:

Parental education and cooperation of companies to have appropriate age restrictive implements in place.

Q14:

Same laws as cigarettes, etc where employees have the right to refuse sale to those who they think are underage unless adequate proof is shown and are also prevented from selling to minors without penalties.

Q15:

All forms of media should have the markings displayed showing consumers what it is they should be expecting and who the media is aimed at.

Q16:

Educate, educate, educate! Educate parents and consumers of their responsibility to making the correct decisions when it comes to the purchase/acquisition of classified materials.

Q20:

Q21:

There is a need for R18+ classification across the video games media. It is currently available through movies, publications and audio and current classifications for video games deny access to content which would otherwise be available if presented in another form of media.
