

## CI 633 G Moret

First name: Glen

Last name: Moret

Q1:

Developing a new framework

Q2:

1. 18+ rating - I dont know why we are questioning this we should already have it.

Q3:

no

Q4:

no, all content should be classified first.

Q5:

this question wording is dumb.

Q6:

well if all content is classified it wouldn't matter.

Q7:

no

Q8:

Yes, of course.

Q9:

no

Q10:

maybe

Q11:

Q12:

it is up to the individual home, governments should not interfere, unless it is for x rated content of which a national block out would be fit.

Q13:

national internet filters

Q14:

better filters

Q15:

if it is being classified, it should be displayed

Q16:

Q17:

Q18:

if it is obvious it doesn't need to be displayed.

Q19:

no

Q20:

"M" and "M15+"

Q21:

yes there is; "M" and "M15+" should be different ratings- so a different letter and color. as should any other ratings who have the same rating but different age limits.

Q22:

Q23:

need an 18+ rating for games.

Q24:

Child Pornography, terrorism activity and support websites.

Q25:

there should be no such thing as RC on films that are not bad things like Child Pornography, terrorism activity and support websites.

Q26:

it should be one national classification.

Q27:

a national one, a classification that is Australia wide.

Q28:

yes!

Q29:

An 18+ rating for games.

Other comments:

18+ rating for games should already exist in Australia, get with the times!!!
