Dear Commissioner

I write regarding the *scope* of the Attorney-General's 10/4/19 referral, in particular his reference to Ruddock Recommendation no.15 - that a Commonwealth Religious Discrimination Act be considered for legislation.

Recommendation 15 did not ask the government to consider, specifically, "appropriate exceptions & exemptions" for clergy as it did for religious bodies, religious schools & charities.

Would you please consider putting "clergy" alongside "religious bodies, religious schools & charities."

Yours faithfully

Paul Nolan
