Q1:

The existing framework is fine, just that there is no R18 classification for games.

Q2:

To provide classification for the entire public in regards to all forms of media.

Q3:

No.

Q4:

No.

Q5:

Yes. Classification for all social demographics should be classified.

Q6:

No.

Q7:

No.

Q8:

Yes, but with a pinch of salt. Do it sensibly.

Q9:

Q10:

No.

Q11:

Common sense and actually listening to the people who the classification will affect.

Q12:

There aren't any.

Q13:

That's up to the parents.

Q14:

That's up to the parents.

Q15:

When it actually requires it. Common sense.

Q16:

The users at the top, after all, they know more about what they want than the government does.

Q17:

It probably would.

Q18:

R18 games.

Q19:

Q20:

Yes.

Q21:

R18 classification for games.

Q22:

The system you have is fine. Just allow more
