Parenting is the most effective method. Education and guidelines for parents and responsibility.

Q13:

Good parenting

Q14:

I don't think it needs to be

Q15:

A simple clear ratings system is all that is necessary

Q16:

Open communication and not knee jerk reactions. End users and potential audience should be consulted, not people who object

Q17:

yes

Q18:

None, there should be an impartial agency always

Q19:

yes

Q20:

no - video game classifications make no sense

Q21:

R18 for video games needs to happen.

Q22:

Convergence means we need to be more fluent, but with a clear structure. Convergence blurs the lines between media, and this means we need to make things clearer but have the potential for fluidity between genres
