

CI 1710 J Belliveau

First name: Jess

Last name: Belliveau

Q1:

Develop a new framework

Q2:

In line with existing classification schemes aimed at relevant age groups.

Q3:

No.

Q4:

No. All content should be classified.

Q5:

All content should be classified and fall within a rating/classification.

Q6:

No.

Q7:

No.

Q8:

Yes.

Q9:

No.

Q10:

No.

Q11:

Q12:

User education and freedom of choice.

Q13:

User and parent/guardian education - end point software installation assistance.

Q14:

As above - education and awareness.

Q15:

When classified in a higher tier - for example, mature content.

Q16:

Assistance and support - not forceful censorship.

Q17:

Yes.

Q18:

Adult content - XXX etc

Q19:

Based upon target market and film content - eg, short film festival etc.

Q20:

No. M rating vs MA and the lack of a suitable R18 classification for some media.

Q21:

Retain existing but perhaps flesh out description and labels - introduce missing classifications (eg R18) to all media content. A uniform approach.

Q22:

Uniform approach with labelling and ratings.

Q23:

Yes - or at least expanded to include similar ratings.

Q24:

Illegal content - for example, content containing child abuse.

Q25:

No.

Q26:

Yes, we are a single country - we have no need to adopt different standards for each state.

Q27:

Not sure.

Q28:

Yes.

Q29:

As mentioned above - a uniform approach for all media types.
