

CI 1899 B Adams

First name: Ben

Last name: Adams

Q1:

New framework - gamers are, on average, much older and more mature than it seems the current standards understand

Q2:

ensure, simultaneously, the protection of under-age gamers from inappropriate content, and allow for open access to content for anyone of age e.g. 18+

Q3:

Q4:

no - this only helps to service a vocal minority, rather than the broader community
