Q11:

Common sense

Q12:

There is no real effective method unless you infringe on the rights of the people.

Q13:

Like all issue with children and inappropriate material the responsibility should be the parents. Good education and morals starts at home not with a separate body deciding what is right. The blame needs to be put back on the parents failings.

Q14:

The appropriate use of classifications and common sense. (sadly lacking in a modern world)

Q15:

Should be displayed on the product.

Q16:

not sure

Q17:

Should be put to the people in an open discussion.

Q18:

18+ classification for video games. Just like all other media, people see no difference between M15 and MA15+.

Q19:

No

Q20:

Understood but in some cases outdated.

Q21:

18+ for video games. Get rid of MA15+, just have G, PG M15 and R18. Noone pays attention between M15 and MA15
