Last name: Saunders

Q1:

Improve the current system

Q2:

Understanding that some games ARE NOT made for children. Games can EASILY be classified the same as movies, music ect.

Q3:

No

Q4:

I can't see why all content can't be classified prior to release?

Q5:

Everything be it movies, music, tv, videogames should be rated on the audience they are intended for.

Q6:

No

Q7:

Yes

Q8:

Yes

Q9:

No

Q10:

No

Q11:

ALL CONTENT CAN BE CLASSIFIED!

Q12:

Q13:

Educate children at school on how to use the internet. Parents should be more involved in their child's online activities.

Q14:

As above.

Q15:

When for sale and for public viewing.

Q16:

Only people who know what they are talking about, should be regulating content....

Q17:

YES!

Q18:

Anything that is safe for an audience under 15yrs old.

Q19:

Q20:

i think the G, PG, M ect model is very strait forward

Q21:

Maybe add a separate classification for online content, not banning or restricting... simply reminding people that the internet is unpredictable.

Q22:

It is fine now.... If something is made for adults its R18+, if its for people over 15 its MA15+ ect. If parents / concerned people can't understand that, then they are the ones who need education / to be more involved with their children.

Q23:

YES! YES! YES! YES! It is very simple... Content is either appropriate for children or not. If it's not suitable for children, classify it as such.... DO NOT PUNISH the majourity of people simply because some parents / concerned people are too lazy to look after their children.

Q24:

Nothing, No one has the right to tell me what I can and can't watch / play. If they don't want their children ect. to not be involved with something then it is their responsibility to restrict it!

Q25:

I'm not familiar with the current scope of the rc category. I think only a VERY small percentage of things such as kiddie porn ect. should be restricted. In my opinion no Video game currently should be banned...

Q26:

Q27:

Q28:

Q29:

The classifications need to be updated.

Other comments:

Make parents / concerned people responsible for restricting what they believe to be safe for children.

DO NOT IMPOSE out-dated and uninformed opinions on people.

Lastly DO NOT BAN VIDEO GAMES.... WE ARE THE LAUGHING STOCK OF THE WESTERN WORLD... LET PEOPLE MAKE THEIR OWN DECISIONS IF CONTENT IS SAFE OR NOT! DO NOT PUNISH PEOPLE WHO DO THE RIGHT THING!
