yes

Q8:

yes

Q9:

no

Q10:

no because children exist in both places

Q11:

Q12:

the only way I can explain it is, A game rated M with downloadable content with a higher classification should have an immediate banning due to lack of ability to police

Q13:

make parents aware

Q14:

Q15:

all the time

Q16:

Q17:

Q18:

none, it leave too much room to break the rules

Q19:

even small independent films can have a following and can be viewed by the wrong people

Q20:

M and MA are easily mixed up, whats the difference between mature and mature audiences?

Q21:

yes new classification categories are needed. something is needed to seperate the Ms from the MAs

Q22:

Q23:

yes

Q24:

If its illegal is should be prohibited, if not then it shouldnt be.

Q25:

no, because computer games are being refused classification because we dont have an R rating
