Q2:

To release a R18 classification.

Q3:

No

Q4:

Yes

Q5:

No, "potential impact" is merely speculation.

Yes.

Q6:

Q7:

Q8:

No, music and sound recordings are just that, sounds.

Q9:

No

Q10:

No

Q11:

Q12:

Q13:

It can't, it is quite simple to fake your age when applying for an account for online distributors, such as steam.

Q14:

It can't, you need an ID to obtain said materials.

Q15:

All the time, this is the kind of thing people want.

Q16:

None, people can make up their own mind. Industry bodies could change the marketing to be only available to the people it is intended for. Users can make their own choices regarding content whether it be violent or sexual.

Q17:

Q18:

Q19:

Q20:

Yes, people who play computer games are fully aware that there is no R18 rating. The fact there is no R18 classification.

Q21:

Yes, R18 should be implemented. No, the other classifications are reasonable.

Q22:

Q23:

Q24:

None, people should be able to access anything they deem worthy of their time.

Q25:

Q26:

Yes, if the classifications differ from one area to the next, people could get very upset. Though any means necessary.

Q27:

Q28:

Q29:
