

CI 2242 A Middleton

First name: angus

Last name: middleton

Q1:

The Framework needs to have an R18+ classification

Q2:

to allow buyers to know how suitable games are, sometimes its hard to know exactly whats going to be the content of the game.

clear distinctions between kids, teenage and adult content.

Q3:

the classification should be across the board, as that seems to be the point of the system

Other comments:

i apologise i ran out of time.

R18+ for games yeah?
