

CI 2250 R Sheehan

First name: richard

Last name: sheehan

Q1:

i believe the existing classification framework is acceptable but requires slight improvement, such as the implementation of a R18+ rating for video games.

Q2:

To allow the Australian gaming community to keep in touch with the rest of the world.

Q3:

Q4:

No, all content should be free to be viewed by all wanting to do so. That said, all content should be classified appropriately to avoid complaints.

Q5:

Q6:

No, the classification of materials should act independently, free from pressure of its producers

Q7:

No

Q8:

No

Q9:

No

Q10:

Yes, private life is often different to public life and should be treated differently.

Q11:

Nothing other than the content itself.

Q12:

Q13:

Q14:

Q15:

At the start of the material or exhibition.

Q16:

Fairness.

Q17:

Yes

Q18:

All of it

Q19:

Q20:

Yes, the only category that is confusing is the AV15+
