

CI 2251 N Liet

First name: Neil

Last name: Liet

Q1:

Improve the existing framework with an R18 rating!

Q2:

Adding the R18+ classification

Q3:

No, its the content of the game that should be rated, although if the tech that it uses makes a difference then i guess it would matter

Q4:

No

Q5:

No

Q6:

No

Q7:

no

Q8:

yes

Q9:

no

Q10:

no

Q11:

Q12:

online content shouldnt be classified because it is uncontrollable

Q13:

parental guidance

Q14:

controlling it at the sales counter

Q15:

in store only

Q16:

classifying the content only, they dont need to do anything else

Q17:

yes

Q18:

G rating

Q19:

Q20:

yes i believe so

Q21:

YES!!! R 18 rating for games, why should australia be left in the cold when everywhere else in world its available

Q22:

Q23:

yes i guess so, should there be any need of a difference?

Q24:

NONE! It should be a free world, keep it that way!

Q25:

NO, dont refuse classification, classify it correctly!

Q26:

yes, keep every state the same

Q27:

Q28:

Q29:

introduce the R18 classification for gaming!

Other comments:

Why should australia be left in the cold, that everywhere else in world is able to have the art of extreme games, and we are not! Its pathetic that we cant because of a stupid rating!
