Q1:

Develop a new framework for classification which more clearly defines the difference between an MA15+ game and a potential R18+ rated game, as is demonstrated in other countries already. Also to update the framework to include platforms which have been introduced in recent years.

Q2:

Q3:

No, it shouldn't make a difference.

Q4:

Q5:

Yes, however I think the terms in which media is classified needs to be more clearly defined.

Q6:

No.

Q7:

It's a good idea to provide consumer advice, then the individual can make a choice based on their preference.

Q8:

Yes.
