e. If it improves consistency then yes.

f. No comment

Proposal 5–3:

Yes

Proposal 5–4:

Yes to 'media content' and 'media content provider' being defined. Yes it should be platform-neutral and it should only apply where it's relevant.

Proposal 6–1 :

Yes to all.

Proposal 6–2:

I think that's a good idea as it would save money only focusing on on those categories.

Proposal 6–3:

Yes to all

Proposal 6–4:

Yes

Proposal 6–5:

Yes but if there there is inconsistencies such as it's legal to but it's illegal in a film it should be corrected and be allowed in the country.

Proposal 6–6:

I don't think it's necessary.

Proposal 6–7:

I think that's fine but I would prefer that it would remain unchanged.

Proposal 6–8:

Yes

Proposal 7–1:

Yes to all

Proposal 7–2:

Yes

Question 7–1 :

Yes

Proposal 7-3:

Yes

Proposal 7-4:

Yes

Proposal 7-5:

Yes

Question 7-2:

It should be part of the Australian Qualifications Framework and should be provided by education institutions and private providers so that more people are educated about how media is classified.

Proposal 7-6:

I think the classification board can do both roles and as long as the process stays as independent as possible.

Proposal 7-7:

I don't think you need to be as heavy handed as that.

Proposal 8-1 :

Yes and as long as there's no censorship included.

Proposal 8-2:

Yes and as long as there's no censorship included.

Proposal 8-3:

I don't think it needs to be as heavy handed as 18+ restriction and as they get approval from an adult.

Proposal 8-4:

a. No

b. Parents should have access to that information

c. Yes

Question 8-1:

Yes and when it's shown at the right time it should be uncut.

Proposal 8-5:

Yes

Proposal 8-6 :

a. Yes

b. Yes

c. Yes

Proposal 9-1 :

Yes I think that covers all the necessary areas as long as the C rating covers shows for the very young such as sesame st, playschool etc and T 13+ not be restricted by age as I think all games in the M rating are acceptable for all ages.

Proposal 9-2:

See 9-1

Proposal 9-3:

Yes

Proposal 9-4 :

Yes

Proposal 9-5 :

No it should be rated correctly in the first place.

Proposal 10-1:

Yes, but no blacklist or internet filter as it doesn't prevent these crimes and there are much more effective and cheaper ways to combat this problem.

Proposal 11-1:

Yes

Proposal 11-2 :

Yes to all.

Proposal 11-3 :

Yes to all.

Proposal 11-4:

Yes

Question 12-1:

Yes and I think it should be when a large amount of complaints are submitted something should happen instead of being dictated by just one complaint.

Proposal 12-1 :

Yes to all.

Proposal 13-1 :

Yes are the current framework is outdated.

Proposal 13-2:

Whatever makes it easier for reforms to happen.

Proposal 14-1 :

Yes

Proposal 14-2 :

For a new classification system to work it shouldn't be different for any state and territory and be as consistent as possible.

Proposal 14-3:

Yes to all.

Proposal 14-4:

As long as it isn't too heavy handed and doesn't restrict the rights of all Australians.

Proposal 14-5 :

Yes
