Q13:

You can't control it online, if they want it, they will get it even if it is by illegal means, any attempt to stop it is just a waste of time and money.

Instead educate them.

Q14:

Again, it can't be controlled by force, kids will get it one way or another even if it is via illegal means, just educate them on the matter.

Q15:

It should always be displayed! Even if it is for 5 year old's.

It allows Adults to make an informed decision for children.
