Q20:

the M rating's lack of restriction gives no guideline as to the appropriate age range it would be suitable for

Q21:

The M rating can be done away as it is mostly useless and imposes no real restriction. Perhaps replace it with a restrictive PG13+

Q22:

Give games an R18+ and explicit books/publications a restricted rating requiring ID on purchase

Q23:

Q24:

Prohibiting online content is pointless as firewalls are easy to circumvent and gain access to supposed restricted material
