give them a warning on what it is

Q10:

yes

Q11:

Gore violence nudity Language and information in game

Q12:

Maybe more protect on the net with programs and block sites

Q13:

blocked programs to stop it or more family talk about the net

Q14:

family talk and more to protect minors

Q15:

on the game box with information

Q16:

Q17:

Q18:

games music internet TV

Q19:

Q20:

more detail on what it is

Q21:

NO

Q22:

more details on the programs or game and media

Q23:

make something more stronger or more solid

Q24:

inappropriate nudity some of violence

Q25:

I Think we need more programs to block content online depends what it is and with games more details and an R Rated classification to protect minors and young kids and so on

Q26:

On TV magazines internet blog if its safe

Q27:

only if we had to protect young kids and minors

Q28:

yes more protect and a better classification with the r rated with games and media

Q29:

checking ID with games and Magazine and TV Music Movies

Other comments:

We Need an R Rated Classification with games so we can protect minors and children so they don't get affected depending on the game or contact
