Q1:

They should improve the existing classification system, to allow violent games to the general public that are over the age of 18.

Q2:

To add a R18+ category to the pre-existing classification system.

Q3:

no

Q4:

Only if it has received many complaints.

Q5:

Yes it's common sense!

Q6:

Yes, for instance Call of Duty and Mortal Kombat. Call of Duty made 1 billion dollars in six weeks. Mortal Kombat had also a very close effect only in other countries, because it was refused into Australia.
