First name: Tim

Last name: Chadwick

Q1:

Who needs new frame work its all case sensitive these days to many people trying to keep to many people happy HTFU and get stuff done!!!

Q2:

Bring on R18+ so kids arent playing games they shouldnt be!! HTFU!!

Q3:

NO!

Q4:

All games are subject to complaint these days because the whole world is trying to be all multi-cultural sometimes IT JUST CANT BE DONE HTFU! And bite the bullet for once!

Q5:

Childrens media should be classified for children!

Q6:

Yes quite!

Q7:

No the artwork should portray exactly what the game is and how it looks censorship is frowned upon!!

Q8:

No

Q9:

Only if it effects a vast majority not just a minority!

Q10:

No everyone has a right to free speech and making there own decisions

Q11:

The wants and needs of gamers they are people too

Q12:

Nothing.

Q13:

Have a parent or guardian present? The way it should be done currently?

Q14:

DIY

Q15:

If it may not be appropriate for consumers

Q16:

Make it free for the individual to decide not some desk jokey.

Q17:

Q18:

Q19:

Q20:

Q21:

Q22:

Q23:

Q24:

Q25:

Q26:

Q27:

Q28:

Q29:

Other comments:

These questions are the same questions only reworded. Dont take away someones right to choose what they play just because some people dont like it.

Everyone in the country has a right to choose what they play and should not be censored because of a few individuals.
