Q1:

New frame work, due to the mass change of such times.

Q2:

To allow all games, developed by Gaming Firms into this country. We're the only country without an 18+ gaming law.

Q3:

Nope.

Q4:

Yes. This makes it fair. Unless there's a complaint, there should be no reason to classify it.

Q5:

If they're aiming for a game for children, let it go mental. If the game is aimed for adults, classify it, R18+.

Q6:

Yeah, this could affect it.

Q7:

No. Art is art. let it be.

Q8:

Music is another form of art.

Q9:

Yes, depending on the audience.

Q10:

Yes, yet again another factor to be considered.

Q11:

~

Q12:

Don't control it, that's just silly.

Q13:

Parents.

Q14:

They're already perfectly classified.

Q15:

Yeah, it helps alot, when knowing what's safe and what's not safe.

Q16:

It should be up to the public to say what gets classified, not the government.
