[REDACTED]

Dear Sir/Madam,

**ALLEGATIONS:**

The following, below, I believe, is in the public interest, and much more.

**CHRISTIAN PERSECUTIONS: the odious smear of alleged  
Christian exemptions: Submission to ALRC**

It has come to my attention that ALRC has allegedly been asked "... to review religious [but allegedly really, in fact, in substance, Christian] exemptions for schools in federal anti-discrimination law, in the first formal step towards new religious discrimination laws." [the "**Anti-Christian Review**"]

These so called "exemptions," are a repugnant term that I view to be an odious smear, a smear term casting the natural rights of Christian schools to practise their Christian religion, as being a 'gift' from the 'treasury' of the almighty **deputy boss** on earth: the Federal Labor Government, a government that's broke in many ways.

The Christian religion was established circa 30-33 A.D. by Jesus Christ, God, Son of God: Perfect, Infinite, Almighty.

"**Woe**," Jesus has said, "**to those who cause God to be silent**," i.e. to those who destroy Christianity or who force Christians to stop practising and disseminating Christianity, e.g. the present Federal Labor Government's snakily, covert attempt to destroy Christianity, beginning with the pretext of an **Anti-Christian Review**.

"Woe" above means roasting alive in the eternal flames of Hell for all endless eternity. Those, including especially some clergy and prelates, who don't believe in Hell, will surely believe it exists when they eventually get there.

My submission to ALRC, in five (5) parts, is pretty clear, simple, concise, and to the point. Domestic and International Laws prohibit the Federal Labor Government/Parliament from meddling in religious practices in any

way whatsoever, as follows:

**(Part 1) Domestic Laws:** The Federal Labor Government/Parliament DOES NOT HAVE the authority/power to meddle in religious practices in any way whatsoever - by reason of section 51 and section 116 of the *Australian Constitution*.

Section 116 states quite clearly, in unambiguous terms, in simple English, that any lawyer or non-lawyer should be able to understand, in everyday meaning of words, that:

**Section 116 of the Australian Constitution:** "The Commonwealth [i.e. Australia] shall not make any law for establishing any religion, or for imposing any religious observance, or for prohibiting the free exercise of any religion, and no religious test shall be required as a qualification for any office or public trust under the Commonwealth."

[Commonwealth herein means/refers to the sovereign state of Australia.]

The Federal Labor Government/Parliament, covertly, snakily:

(a) are unlawfully trying to coerce, impose Anti-Christian 'religious observances' upon Christian schools; and additionally

(b) are unlawfully manoeuvring in a manner having the effect of 'prohibiting the free exercise of the Christian religion' in Christian schools.

Those who cannot understand the foregoing points (a) and (b), will understand them so much more clearly when they eventually land in Hell.

**Section 51 of the Australian Constitution:** Section 51 sets out the list of areas - i.e. the powers - where the Australian Parliament has jurisdiction to enact laws.

The list of areas does NOT mention any power to enact laws in relation to imposing or coercing religious practices on Christian schools.

So the deputy boss on earth, the Federal Labor Government, is acting 'ultra vires.'

**(Part 2) International Law:** Articles 18(1) and 18(2) of the *International Covenant on Civil and Political Rights* are patently obvious in meanings, and they prohibit the Federal Labor Government/Parliament from meddling in religious practices, as follows:

**Article 18(1):** "Everyone shall have the right to freedom of thought, conscience and religion. This right shall include freedom to have or to adopt a religion or belief of his choice, and freedom, either individually or in community with others and in public or private, to manifest his religion or belief in worship, observance, practice and teaching."

**Article 18(2):** "No one shall be subject to coercion which would impair his freedom to have or to adopt a religion or belief of his choice."

The *International Covenant on Civil and Political Rights* was ratified by Australia on 13 August 1980. This U.N. Convention was ratified, with the prior consent from the various Australian States and Territories, and therefore they are legally and unequivocally obligated to comply.

**(Part 3) Ultra Vires:** ALRC clearly and unambiguously does **NOT** have the authority/power to get involved in the religious practices of Christian schools in any way whatsoever. Full stop! Zilch. It's allegedly acting 'Ultra Virus.' **IT'S NONE OF ALRC's** [unprintable word deleted] **BUSINESS!!!**

#### **(Part 4) GENERAL COMMENTS AND ANALYSES:**

Only Christian living elevates society.

Satanic living debases society.

Debased societies as ancient Sodom and Gomorrah, and ancient Pompeii were destroyed by the mighty hand of the true only God, the God of the Bible. Debased societies become enemies of God, of Jesus.

Sodom and Gomorrah lie at the bottom of the Dead Sea - the dead buried

under the dead. Ancient Pompeii was buried under volcanic ash, dirt, and volcanic lava.

The Madonna, in an urgent call to mankind to abandon sin, and to convert and return to Her Son, Jesus Christ, so said Most Holy Virgin Mary, appearing as the Madonna of La Salette, on 19 September 1846, in prophecy:

**"... Jesus Christ, in an act of His Justice and His great Mercy, will command His Angels to have all His enemies put to death. Suddenly, the persecutors of the Church of Jesus Christ and all those given over to sin will perish, and the earth will become desert-like."**

Most Christian parents send their Christian children to Christian schools, because they want their Christian children to be in a safe environment, or to learn and practise, NOT 'Satanic living' that debases society, but 'Christian living' that elevates society.

Most Christian parents want their Christian children to be taught the Christian Gospel, and to be taught by Christian teachers who live as Christians, as an example and as a teaching to their Christian students. The Christian teachers teach, obviously, for a salary. But, in addition, they also teach for 'love of neighbour' - the second wing of Christ's Law of Love. It's allegedly sheer malice on the part of anyone who would want to shatter this holy Christian living!!

It is the sole right of the authorities of Christian schools to determine how they practice their Christian religion, how they select who can teach and who can attend their Christian schools, in the service of Jesus Christ, **NOT** governments with hidden agendas attempting to interlope by brandishing shrill: 'discrimination' or 'denial of funds' or 'climate change' or 'global warming' or whatever else dopey comes next in the service or exaltation of Satan!!!

Pleading or brandishing 'mercy' or 'pity' to be allowed to live or wallow in sin in Christian schools, is crooked satanic reasoning. Satan once used this snakily trick on Jesus. Jesus told Satan to buzz off, and Satan buzzed off in great fear, fearing the almighty power of Jesus. Too many people mistake the Goodness of Jesus as being a weakness of Jesus. Upon earthly death, a man faces judgement by Jesus-as-Judge, Who will NOT be the meek Jesus Who, obeying the Will of God the Father, allowed Himself to be killed by Crucifixion by the then Jerusalem Biblical Jews of 33 A.D. [Matthew 27.15-26]

Any attempt to coerce any anti-Christian practices upon Christian schools, would constitute an iniquitous decree. And what did Isaiah say about iniquitous decrees? He said:

**"Woe to those who decree iniquitous decrees, and the writers who keep writing oppression..."**, said real Jewish prophet, Isaiah. [Isaiah 10.1]

Upon the earthly death of a person - when his soul separates from his body - he's immediately judged by Jesus-as-Judge: Hell or Heaven (or Heaven via a temporary stay in Purgatory). [= the second judgement] There are no appeals. Anyhow, it is really the person himself who has judged himself - by the way he has freely chosen to live on earth. [= first judgement]

### **(Part 5) POLITICAL MOTIVE OF THE deputy boss of earth - THE FEDERAL LABOR GOVERNMENT:**

Finally, the political motive that's patently evident: I doubt that nobody in the Federal Labor Government has not seen the unconstitutionality of Labor's proposals to interlope in Christian religious practices in Christian schools, pursuant to Labor's hidden agenda to restrict or abolish a person's inalienable right to freedom of Christian worship.

Every person born of woman has a soul, and it carries the remembrance of the soul's Creator: God. Even the pagans and the most uneducated people carry this remembrance.

That said, it's really all about the deputy boss' political posturing: an attempt to swing the votes/allegiance of the *same-sex* sex practitioners to the Labor Party, away from the Greens: at the financial cost of taxpayers, and at the spiritual cost of Jesus Christ. The deputy boss wants a fight with almighty Jesus Christ. Lucifer tried once, was transformed into the monstrous beast Satan, kicked out of Heaven, and tossed into the eternal flames of Hell.

[See the attached email attachment image file: *NATO-v-Russia.jpg*, that contrasts the difference between the NATO people and Christian Russians.]

The Federal Labor Government has form, in rabble-rousing, and in its attempts to garner the support of perceived voter blocks; and so divide and destabilise Australia.

But this destabilisation, really, began in the time of the Fraser Coalition Government's rule, under whose watch and patronage, Australia's manufacturing industry was programmed to expire; and the *Australian*

*Federal Police* emerged from the sewers and floated to the top to become the criminal diabolical organisation that it is today, with legislated impunity: Gangsters with Police Badges.

There's nothing in the *Australian Constitution* about the *Australian Federal Police*, as policing is a State power. So how it can have standing as police in State courts, is a mystery to me.

I have a hunch that it might have allegedly been the AFP that hacked the databases of some high profile Australian companies. The AFP seems to want everyone in Australia to be in its alleged new database. Databases are powerful tools indeed. At the moment [as at 17/2/2033], there's a guy, a father of Australian children, who's languishing in a two by four metres jail cell in NSW, simply because the Nation of the United States - the current supreme boss on earth - has made complaints about him to the deputy boss in Australia. As the Nation of the United States is currently under ongoing unshakable blackmail rule, and repressing ordinary Americans and anyone else that gets in the way, so too perhaps likewise in respect of Nazi Australia. I can't see how the Nation of the United States can ever be set free from this blackmail. The MSM fake news media is doing a colossal cover-up about all this.

'An evil enemy will burn his own Nation to the ground to rule over the ashes.' [Sun Tzu - "The Art of War"] This is happening in the United States.

**VOLUNTARY DISCLOSURE:** I am a Catholic Christian, educated in Catholic Christian schools where the Catholic Christian teachers knew "their stuff" and worked very hard; and who additionally taught their Catholic Christian students to obey the Decalogue: the TEN COMMANDMENTS: the basic Pillar of civilisations that wish to perdure. These Ten Commandments are as follows:

At mount Sinai [mount Horeb], after having brought the ancient Hebrews there from slavery in Egypt, a slavery that lasted for about 400 years, real prophet Moses received from the true only God, the Law: the following Ten Commandments to be obeyed by man:

- I. I am the Lord thy God, thou shalt not have strange gods before Me.
- II. Thou shalt not take the name of the Lord thy God in vain.
- III. Remember thou keep holy the Sabbath day.
- IV. Honour thy father and thy mother.
- V. Thou shalt not kill.
- VI. Thou shalt not commit adultery.

**VII. Thou shalt not steal.**

**VIII. Thou shalt not bear false witness against thy neighbour.**

**IX. Thou shalt not covet thy neighbour's wife.**

**X. Thou shalt not covet thy neighbour's goods**

God the Father says:

"... if even a life of millennia of millennia were granted to the Earth, the Decalogue will always be the same, always valid, always just, always to be observed."

Every person in ALRC, and every Member/Senator of the Federal Parliament who's involved, directly or indirectly, in any way in this odious Anti-Christian Review **MUST** disclose publicly his own religious affiliation as I have, as well as any membership of any masonic lodges, if any.

Anyone who is an adulterer or a *same-sex* sex practitioner, or who is a fake Christian or a non-Christian, CANNOT partake in this odious Anti-Christian Review, principally on the grounds of apprehended bias.

Why has ALRC not publicised, more widely, its intention to conduct this odious Anti-Christian Review?!

I do **NOT** propose nor wish to go further, in any way whatsoever, than what I have already alleged herein.

O Virgin Most Pure, Purest of the pure, Mary Most Holy, the Father's Masterpiece of Beauty, Second in Holiness only to God, **Mary Help of Christians**, pray for us, and especially pray for all your Christian students in Christian schools, as well as for all those who are working assiduously to keep Christian schools, Christian.

Regards.

Joseph Costa

**A persecuted Christian residing in Nazi Australia, persecuted by the Australian Federal Police, the NSW Police, and by their many civilian operatives because I disseminate the truths, and because I'm contra devils.**

**PS** - The risk of mixing with sinners and with those who are contrary to Christ's teachings:

**"The man who goes back, who is not true to Christ's teachings, loses hold of God; the man who is true to that teaching, keeps hold of the Father and of the Son [Jesus**

Christ]. **If you are visited by one who does not bring this teaching [Christ's teachings] with him, you must not receive him in your houses, or bid him welcome; to bid him welcome is to share the guilt of his doings."** (II John 1.10-11)

Saint John's command is unequivocal: Do "... **not receive him in your houses, or bid him welcome...**" means also **NOT** receive him in Christian schools.
