Dear ALRC,

I am writing to express my strong support for the legalisation of surrogacy in Australia. At the moment in our own country and around the world, we are in the midst of a fertility crisis. Many Aussies, single, married, young and old are hoping to have a family and contribute to our national identity, but they cannot for various reasons.

Commercial surrogacy opens up opportunities for families and individuals to engage in a marketplace of human potential.

I urge the ALRC to consider the following points:
- Appropriate health and safety standards must be applied.
- Surrogacy advertising should be allowed to enable opportunities for young women.

I believe that legalising surrogacy in Australia is in the best interests of the individuals involved and society as a whole. Therefore, I urge the ALRC to support changes to the legalisation.

Bless,
Danny Kooyong
